NOTICE TO CONTRACTORS -- SPECIAL LETTING: Accelerate I-465 Westside Project

SPECIAL LETTING OPTIONS

In order to promote competition, secure the best pricing with the highest quality work and achieve the best advantage for the State of Indiana in building the I-465 Westside project (the Project), INDOT is letting the Project according to the Options and process described below, as permitted by 105 IAC 11-3-9, which provides that:

If the department elects, proposal forms may be issued for projects in combination or separately, so that bids may be submitted either on the combination or on separate units of the combination. The commissioner may make awards on combination bids or separate bids to the best advantage of the state. No combination bids, other than those specifically set up in the proposal forms by the department, will be considered.

Option #1 - A single project with the following contract number: IR-31230-A. INDOT must receive bids for Contract IR-31230 no later than 10:00 a.m. on November 12, 2008. The bids will not be opened and read until 10:00 a.m. on November 25, 2008. All bids under Option #1 will be regular bids.

Option #2 - Three separate and individual projects with the following contract numbers: IR-29411, IR-30411, and IR-29767. INDOT must receive bids for IR-29411 no later than 10:00 a.m. on November 12, 2008, at which time the bids will be opened and read. INDOT must receive bids for IR-30411 no later than 10:00 a.m. on November 19, 2008, at which time the bids will be opened and read. INDOT must receive bids IR-29767 no later than 10:00 a.m. on November 25, 2008, at which time the bids will be opened and read. Contracts in Option #2 are considered a separate contracts group for conditional bids submitted under 105 IAC 11-3-10.

SPECIAL BID PROPOSAL CONSIDERATION PROCESS

In the interest of achieving the best advantage for the State of Indiana and pursuant to the Commissioner's authority under IC 8-23-9-3 and 8-23-9-2 ("The commissioner may reject any and all proposals for cause.") the Commissioner will award or not award the contracts described above according to the following process:

- A. If INDOT does not make awards according to Section B (below), the Commissioner shall award the contract to the lowest and best bid under Option #1.
- B. If the sum total of the three lowest and best bids for each contract in Option #2 is lower than the lowest and best bid in Option #1, the Commissioner shall award contracts to each of the lowest and best bidders of the three contracts in Option #2. If the sum total of the three lowest and best bids for each contract in Option #2 does not exceed the lowest and best bid in Option #1 by more than 5%, the Commissioner, in his discretion, may award contracts to each of the lowest and best bidders of the three contracts in Option #2.
- C. If the Commissioner does not award any contract according to Section A or Section B, the Commissioner, in his discretion, may award contracts to any or all of the lowest and best bids received under Option #2.
- D. The Commissioner may reject any bid proposal for cause. Non-competitive or unrealistic terms or pricing, or inadequate competition in bidding may be considered "cause" to reject any proposal under IC 8-23-9-2.

PRE-BID CONFERENCE

A NON-MANDATORY pre-bid conference will be held of these contracts at the place and times described herein. LOCATION: Greenfield District Office, 32 South Broadway, Greenfield, Indiana DATE: Tuesday, October 14, 2008 TIME: 1:30 PM EST.
